The state reserve orders to the VEB Entwurfsbuero fuer Industriebau Berlin II were postponed because no funds have been appropriated. The date on which 1956 planning was to begin was undetermined as of 11 May 1955, because the planning authorities (ministries) have no clear ideas regarding the 1956 investment plans. Most of the planning authorities informed the Entwurfsbuero that their 1956 investment plans would be ready in late May 1955.
